

Benefits of becoming a member of the Helminthological Society of Washington (HelmSoc)

- Very low membership dues
- Online access to Comparative Parasitology (COPA) on BioOne (go to Member Login on the HelmSoc page to access the journal)
- No page charge for the first 3 pages if you publish your work in Comparative Parasitology
- Excellent opportunity for students to present their data
- Opportunity for students to win awards at each meeting
- Become part of an active and welcoming society
- Great opportunity for Faculty to network and share data
